

Participants of ESA landtraining07

| firstname | surname | email | position | organisation | country | research_field |
|--------------|--------------|------------------------------------|----------------------------|--|-------------|---|
| Filipe | Aires | filipe.aires@lmd.jussieu.fr | Researcher | CNRS | France | Satellite Remote Sensing of atmosphere and land |
| Corina | Alecu | corina.alecu@meteo.inmh.ro | RS Specialist | National Meteorological Administration | Romania | Remote Sensing and GIS Applications |
| Krista | Alikas | alikas@ut.ee | Engineer | Tartu Observatory | Estonia | Water remote sensing in coastal and inland waters |
| Samuel | Almond | salmund@bournemouth.ac.uk | PhD student | Bournemouth University | UK | Vegetation Remote Sensing / MTCI |
| Antonio | Araujo | antonio.araujo@igeo.pt | MSc | IGP | Portugal | GIS, RS, Land use cartography |
| François | Aspert | francois.aspert@gmail.com | Research Assistant | Swiss Federal Institute of Technology (EPFL) | Switzerland | SAR images analysis, InSAR, POLInSar Coherence estimation |
| Brian | Barrett | brianb_12@hotmail.com | PhD Student | University College Cork (UCC) | Ireland | Microwave Remote Sensing of Soil Moisture |
| Frank | Barrett | frank.barrett@agriculture.gov.ie | GIS professional | Forest Service Ireland | Ireland | Forestry/GIS/Remote Sensing |
| Carla | Barroso | carla.barroso@meteo.pt | LSA SAF science team | Institute of Meteorology | Portugal | Remote Sensing |
| Jedrzej | Bojanowski | jed@igik.edu.pl | Researcher | Institute of Geodesy and Cartography | Poland | Remote Sensing |
| Bert | Bossyns | bert.bossyns@vito.be | PhD researcher | University of Leuven / VITO | Belgium | area estimates using medium resolution imagery |
| Alexandre | Bouvet | alexandre.bouvet@cesbio.cnes.fr | PhD student | CESBIO | France | Radar remote sensing (for rice monitoring) |
| Hugo | Carrão | hugo.carrao@igeo.pt | PhD Student | ISEGI-UNL | Portugal | Earth Observation, Geographic Information Systems |
| João | Carreiras | jmbcarreiras@gmail.pt | post-doc student | Tropical Research Institute, Lisbon | Portugal | Reducing uncertainties in regenerating forest biomass retrieval |
| Luis | Carvalho | lcarvalho@fis.ua.pt | PhD Student | Universidade de Aveiro | Portugal | Remote Sensing / Weather forecasting |
| Merete Bruun | Christiansen | merete.bruun.christiansen@risoe.dk | post-doc student | Risoe National Laboratory | Denmark | Wind energy, meteorology, remote sensing |
| Magdalena | Czarnogorska | magdalena.czarnogorska@pgi.gov.pl | researcher | Polish Geological Institute | Poland | geohazards, remote sensing, mapping, GIS |
| Josefien | Delrue | josefien.delrue@vito.be | Project/Research Assistant | VITO | Belgium | Estimating agricultural area using medium resolution imagery |
| Elias | Dimitriou | elias@ath.hcmr.gr | post-doc student | Hellenic Centre for Marine Research | Greece | Hydrology and Earth Sciences |
| Paz | Fernandez | pazferol@ugr.es | PhD Student | University of Granada | Spain | Terrain engineering |

| firstname | surname | email | position | organisation | country | research_field |
|-----------|------------|-------------------------------------|-----------------------------|---|-------------|---|
| Ricardo | Garcia | racgarcia@yahoo.com | Researcher | Geography Research Centre | Portugal | Risk Assessment (Natural hazards and Environment) |
| Dorit | Gross | dorit.gross@gmx.de | Geomatics consultant | FAO | Italy | Land Cover, Land Use, Land Cover Change |
| Mariluz | Guillén | mariluzguillen@ias.csic.es | PhD student | IAS. CSIC | Spain | Interception PAR estimation with Remote Sensing |
| Sören | Haubrock | soerenh@gfz-potsdam.de | PhD student, project leader | GFZ Potsdam | Germany | Remote Sensing for Natural Disasters |
| Michael | Heinl | michael.heinl@uibk.ac.at | post-doc researcher | University of Innsbruck, Institute of Ecology | Austria | landscape ecology, alpine environments |
| Silvia | Huber | shuber@geo.unizh.ch | PhD | University of Zurich | Switzerland | Forest biochemistry assessment with hyperspectral RS data |
| Christian | Huettich | christian.huettich@uni-wuerzburg.de | Research Assistant | Friedrich-Schiller-University Jena | Germany | fire scar mapping in Siberia using RS techniques |
| Anisoara | Irimescu | anisoara.irimescu@meteo.inmh.ro | Scientific Researcher | National Meteorological Administration | Romania | Remote Sensing and GIS Laboratory |
| Agnieszka | Izykowska | agnizy@cbk.waw.pl | PhD student | Space Research Centre | Poland | hydrology, floods monitoring, disaster management, |
| Annemarie | Klaasse | a.klaasse@waterwatch.nl | RS Specialist | WaterWatch | Netherlands | water use, environmental degradation, land cover change |
| Marco | Lavalle | marcolavalle@gmail.com | PhD student | University of Rome Tor Vergata | Italy | PolSAR/PolInSAR response of vegetated land surfaces |
| Pedro | Leitão | p.leitao@soton.ac.uk | PhD student | University of Southampton | UK | Applied Ecology |
| Armando | Marino | A.Marino-3@sms.ed.ac.uk | PhD | University of Edinburgh | UK | Remote sensing of forest: tomography |
| Vanessa | Mateus | vmateus@yahoo.com | Researcher | UTL | Portugal | Remote sensing - research upon global fire occurrences |
| Eskil | Mattsson | eskil.mattsson@gvc.gu.se | PhD Candidate | Göteborg University | Sweden | Tropical deforestation, link to the Climate Negotiations |
| Daniel | McInerney | daniel.mcinerney@ucd.ie | PhD candidate | University College Dublin | Ireland | Forest Inventory, optical image processing |
| Maria | Mira | Maria.Mira@uv.es | PhD student | University of Valencia | Spain | Thermal infrared remote sensing |
| Antonios | Mouratidis | amourati@geo.auth.gr | PhD student | Aristotle University of Thessaloniki | Greece | Seismotectonics and Morphotectonics |
| Gianluca | Norini | norini@ct.ingv.it | post-doc researcher | INGV | Italy | Volcanology, Neotectonics, GIS |
| Andre | Oliveira | andre.oliveira@tekever.com | Head of R&T | TEKEVER | Portugal | Space Systems, EO applications |
| Ioannis | Papoutsis | ipapoutsis@space.noa.gr | PhD student | NOA - Univ. of Athens | Greece | Permanent Scatterers in SAR Interferometry |

| firstname | surname | email | position | organisation | country | research_field |
|--------------|----------------|-------------------------------|-----------------------------------|---|------------|---|
| Dario | Peduto | dpeduto@unisa.it | PhD student | University of Salerno | Italy | Subsidence and landslide monitoring |
| André | Pinheiro | abcpinheiro@gmail.com | Researcher | Portuguese Geographic Institute | Portugal | Remote Sensing Unit - ASAR imagery |
| Jan | Pisek | jan.pisek@utoronto.ca | PhD student | University of Toronto | Canada | Remote Sensing |
| Hamish | Pritchard | H.Pritchard@bas.ac.uk | Satellite data analyst, postdoc | British Antarctic Survey | UK | Remote sensing and geophysical studies of ice and snow. |
| Heather | Reese | Heather.Reese@resgeom.slu.se | PhD student / Research Assistant | Swedish University of Agricultural Sciences | Sweden | Remote Sensing |
| Katja | Richter | katja.rich@gmail.com | PhD student, DROSMON project | University of Vienna | Austria | Drought stress risk monitoring of crops by Remote Sensing |
| Maria | Santos | mjsantos@ucdavis.edu | Phd Student | University of California, Davis | USA | Landscape Planning, Mediterranean woodlands, Remote Sensing |
| Thomas | Schmid | thomas.schmid@ciemat.es | Researcher | CIEMAT | Spain | Soil contamination and conservation of wetland ecosystems |
| Guy | Schumann | schumann@lippmann.lu | PhD student | Dundee University, UK/CRP-GL, Luxembourg | Luxembourg | SAR Remote Sensing and flood hydrology |
| Guadalupe | Sepulcre-Cantó | gsepulcre@ias.csic.es | PhD Student | CSIC | Spain | Water stress detection with remote sensing techniques |
| Anita | Simic | a.simic@rogers.com | PhD student | University of Toronto | Canada | forest biochemical and biophysical parameters using multi-angle hyperspectral sensors |
| Joaquim João | Sousa | jjsousa@utad.pt | PhD Student | University of Porto | Portugal | InSAR applications |
| Stavros | Stagakis | sstagaki@cc.uoi.gr | PhD student | University of Ioannina | Greece | Evaluation and application of multispectral and hyperspectral satellite imagery for monitoring ecosystem dynamics |
| Wolfgang | Stemberger | stemberger@geoville.com | Student and internship (GeoVille) | GeoVille Information Systems | Austria | Forestry |
| Giovanna | Trianni | giovanna.trianni@unipv.it | PhD student | University of Pavia | Italy | Remote Sensing |
| Christina | Tsimi | christinant@gmail.com | Research Assistant | National Observatory of Athens | Greece | Geomorphology - G.I.S |
| Ruben | Valbuena | rvp@alumnos.upm.es | PhD student | Universidad Politécnica de Madrid ETSI Montes | Spain | Remote sensing applied to forest management |
| David | Valencia | davaleco@unex.es | Associate Professor | Universidad de Extremadura | Spain | High dimensional data analysis, parallel computing, hardware based algorithms |
| Francesco | Vuolo | francesco.vuolo@ariespace.com | Researcher | ARIESPACE srl (Spin-off of Univ. of Naples) | Italy | Remote sensing and Agriculture |
| Andrew | Wiltshire | a.j.wiltshire@dur.ac.uk | post-doc researcher | University of Durham | UK | Climate and Land Surface Interaction |

Professors and assistants

| firstname | surname | email | organisation | country |
|------------------|----------------|------------------------------|------------------------|----------------|
| Mario | Caetano | mario.caetano@igeo.pt | IGP / ISEGI-UNL | Portugal |
| Yves-Louis | Desnos | yves-louis.desnos@esa.int | ESA | Italy |
| Thuy | Le Toan | Thuy.Letoan@cesbio.cnes.fr | CESBIO | France |
| Jose | Moreno | jose.moreno@uv.es | University of Valencia | Spain |
| Jose | Pereira | jmcperreira@isa.utl.pt | UTL | Portugal |
| Eric | Pottier | eric.pottier@univ-rennes1.fr | University of Rennes | France |
| Fabio | Rocca | rocca@elet.polimi.it | Politecnico Milano | Italy |
| Christiana | Schmullius | c.schmullius@uni-jena.de | University of Jena | Germany |
| Bob | Su | b_su@itc.nl, | ITC | Netherlands |
| Herve | Yesou | herve@sertit1.u-strasbg.fr | SERTIT | France |
| Remi | Andreoli | remi@sertit.u-strasbg.fr | SERTIT | France |
| Andrea | Minchella | andrea.minchella@esa.int | RSAC c/o ESA | Italy |
| Daniele | Perissin | daniele.perissin@polimi.it | Politecnico Milano | Italy |
| Muriel | Simon | muriel.simon@esa.int | Serco c/o ESA | Italy |
