AFRY X SMART FORESTRY

LIVING PLANET SYMPOSIUM 2022, 24.5.2022, BONN

SIMOSOL IS NOW PART OF AFRY

Forest carbon analytics with scalable EO-based solutions

Key Insights

Number 1:
There's no escaping
the need for ground
reference

Number 2:
Accurate modelling
requires local forest
management models

Number 3:
Climate impacts of
forest management are
not limited to standing
trees

Number 4:
Consensus on
technical playbook
missing

Making Future
